Ms. Sandra Smith
Executive Director
Texas Board of Chiropractic Examiners
333 Guadalupe, Suite 3-825
Austin, Texas 78701-3942

OR2004-7000

Dear Ms. Smith:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 207284.

The Texas Board of Chiropractic Examiners (the "board") received a request for information concerning a named chiropractor and a specified facility. You state that the board is providing some responsive information to the requestor. You claim that portions of the submitted information are excepted from disclosure under sections 552.026, 552.114, and 552.130 of the Government Code, and the Family Educational Rights and Privacy Act of 1974 ("FERPA"), section 1232g of Title 20 of the United States Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision," and encompasses information protected by other statutes. You assert that the submitted college transcripts are confidential under FERPA. FERPA provides that no federal funds will be made available under any applicable program to an educational agency or institution that releases personally identifiable information (other than directory information) contained in a student's education records to anyone but certain enumerated federal, state, and local officials and institutions, unless otherwise authorized by the student's parent. *See* 20 U.S.C. § 1232g(b)(1). "Education records" means those records that contain information directly related to a student and are maintained by an educational agency or institution or by a person acting for such agency or institution. *Id.* § 1232g(a)(4)(A).

We note that the board is not an educational agency or institution. However, FERPA also contains provisions governing access to information in education records transferred by an educational agency or institution to a third party. FERPA provides that an educational agency or institution may only transfer personal information to a third party "on the condition

that such party will not permit any other party to have access to such information without the written consent of the parents of the student.” *Id.* § 1232g(b)(4)(B). Federal regulations provide that a third party that receives such information from an educational agency may use the information only for the purposes for which the disclosure was made. 34 C.F.R. § 99.33(a)(2). You state that the board received the submitted transcripts from an educational institution. Accordingly, pursuant to sections 1232g(b)(4)(B) and 99.33(a)(2), we determine that the board may only release the transcripts upon consent of the named chiropractor.

Next, we note that the submitted information at issue contains an individual’s social security number. Section 58.001 of the Occupations Code provides as follows:

The social security number of an applicant for or holder of a license, certificate of registration, or other legal authorization issued by a licensing agency to practice in a specific occupation or profession that is provided to the licensing agency is confidential and not subject to disclosure under Chapter 552, Government Code.

Occ. Code § 58.001. The social security number at issue belongs to an owner of the facility and appears in chiropractic facility registration applications in the submitted documents. Thus, we find that the social security number contained in those documents is confidential under section 58.001 of the Occupations Code and must be withheld under section 552.101 of the Government Code.

Finally, you have marked a Texas driver’s license number in the submitted documents. Section 552.130 of the Government Code excepts information relating to a Texas motor vehicle driver’s license and information relating to a Texas motor vehicle title or registration. Gov’t Code § 552.130. The board must withhold the marked Texas driver’s license number under section 552.130 of the Government Code.

In summary, the board must withhold the submitted transcripts pursuant to FERPA. The marked social security number must be withheld under section 552.101 of the Government Code in conjunction with section 58.001 of the Occupations Code. The marked Texas driver’s license number must be withheld under section 552.130 of the Government Code. The remainder of the submitted information must be released to the requestor.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov’t Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by

filing suit in Travis County within thirty calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within ten calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within ten calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within ten calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Tex. Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within ten calendar days of the date of this ruling.

Sincerely,

David R. Saldivar
Assistant Attorney General
